About Dorset LEP

Dorset LEP is one of 37 LEPs across the country tasked by the Government to drive forward sustainable private sector growth and job creation.

As a high performing LEP we bring together local businesses, education providers, voluntary organisations as well as the public sector to tackle key barriers to growth.

Dorset LEP has secured over £240m to date from the Government and other sources to support economic growth in the county. Our recently published Statement of Intent sets our ambition for doubling the size of the Dorset economy over the next 20 years, adding an estimated £17 billion and 80,000 jobs to the UK economy.
